

Time (CEST)	Topic	Speaker	Title	Organization	In person or digital	Email
10:00 – 10:15	Welcome word and agenda	Vincent Van Hasselt	DE, Safety & Reliability	Pipistrel Vertical Solutions d.o.o.	In person	vincent.van.hasselt@pipistrel-aircraft.com
10:15 – 10:45	Electric flight: a look at the technology and challenges	Fabrizio Gaspari	Department Lead Safety & Reliability	Pipistrel Vertical Solutions d.o.o.	In person	fabrizio.gaspari@pipistrel-aircraft.com
10:45 – 11:15	Firefighting on electrical aircraft	Dejan Gantar	Instructor	Fraport Slovenia Aviation Academy	In person	g.dejan@fraport-slovenija.si
11:15 – 11:45	Worldwide standardization of responders information “Air Vehicles”	Kurt Vollmacher	Project Leader	Energy Safety	Digital	kurt.vollmacher@telenet.be
11:45 – 13:00	Lunch					
13:00 – 13:30	Introducing hydrogen at airports – lessons learned at Rotterdam The Hague Airport	Daan van Dijk	Innovator	Rotterdam The Hague Airport	Digital	daan.van.dijk@rtha.com
13:30 – 14:00	Liquid hydrogen storage and distribution systems for aviation – safety and survivability	Pedro Garcia Gonzalez	Lead Research Engineer - Propulsion	Pipistrel Vertical Solutions d.o.o.	In person	pedro.garcia.gonzalez@pipistrel-aircraft.com
14:00 – 14:15	Break					
14:15 – 14:45	Cybersecurity Aspects on Design	Gustavo de Carvalho Bertoli	Cybersecurity Architect for Aerospace & Research	Airbus Defence and Space GmbH	Digital	gustavo.de_carvalho_bertoli@airbus.com
14:45 – 15:15	Cybersecurity in aviation - Avoiding bugs and vulnerabilities during the development process	Dr. Christopher Scherb	Lecturer (Dozent)	University of Applied Sciences and Arts, Northwestern Switzerland, FHNW	In person	christopher.scherb@fhnw.ch
15:15 – 15:30	Break					
15:30 – 16:10	STAMP/STPA: a novel safety assessment approach	Dr. John Thomas	Co-director of MIT's Engineering Systems Lab	Massachusetts Institute of Technology	Digital	jthomas4@mit.edu
16:10 – 16:30	Closing word	Tine Tomažič	Pipistrel Group CTO	Pipistrel Vertical Solutions d.o.o.	Digital	tine.tomazic@pipistrel-aircraft.com
